BALCO Hosts Malhar 3.0
A Celebration of Creativity
and Photography

BALCO hosted Malhar 3.0, its annual photo exhibition that brought together around 200 employee entries across three categories – Archaeological Wonders, Natural Escapes, and Cultural Kaleidoscope. The event served as a vibrant platform for artistic expression while highlighting creativity within the BALCO family.

The exhibition drew participation from over 1,000 people, including students, trainees from Vedanta Skill School, community members, employees, and their families. Alongside employee contributions, the exhibition featured special segments showcasing BALCO's rich legacy since 1965 and its impactful community development initiatives through compelling visual displays.

To further engage participants, Malhar 3.0 also hosted an interactive mobile photography workshop, encouraging learning and skill-building for photography enthusiasts.
