Hi,

# I'm Diversi Di

## I stand for Diversity and Inclusion.

I believe that our differences, in thoughts, backgrounds, identities, and abilities, are what make us stronger and deeply human.

As we observe Pride Month, let us celebrate the spirit of unity in diversity and create a culture where everyone feels belonged. Inclusion is built through everyday actions, in how we listen, how we support, and how we show up for one another.

Together, let's be the change we want to see. Let's build a BALCO where every individual feels seen, respected, and empowered to be their authentic self.

## And here are some interesting facts for you -
