In collaboration with Helpage India, BALCO successfully organized a Mega Health Camp under Project Arogya, delivering primary health services to over 155 citizens. The camp featured specialized consultations with ENT specialists, dentists, paediatricians, dermatologists, gynaecologists, and physiotherapists, along with common medical tests. These complimentary consultations not only enabled early diagnoses but also raised awareness regarding the importance of timely treatment and care.

✨ With Project Connect's Winter Camp, BALCO reaffirms its commitment to safety and community welfare. A comprehensive fire safety training session was organized for 140 students of 10th and 12th grade from government schools. Prioritizing practical and interactive sessions, we aimed to enhance safety awareness and preparedness.

Project Connect is a CSR initiative of BALCO that strives to provide quality education, empowering children through regular and remedial classes. BALCO employees actively volunteer, making a tangible impact. In FY 2023, over 2500 students benefited from Project Connect, shaping a brighter future for our communities.
