Sangam is a transformative initiative aimed at harnessing the latent potential of shopfloor employees. Its core mission is to enhance various operational aspects, such as asset and process efficiency, quality control, safety measures, reliability, and cost management. This initiative empowers employees to take an active role in achieving organizational objectives, instilling a sense of ownership and pride in their contributions.

Sangam Conclave Cycle-3 for FY'25 was launched, six teams from QC and Kaizen, including 23 employees and business partners, participated in the conclave and successfully delivered their presentations.
