During World AIDS Awareness Week, experts conducted community awareness sessions to educate individuals about AIDS. These sessions centred on the causes, symptoms, and prevention of the disease. Participants actively participated in discussions, highlighting the significance of undergoing HIV testing, and were informed about how to access testing facilities. The primary objective of these sessions was to enhance awareness and address doubts surrounding AIDS.

Bharat Aluminium Company Ltd

CEO Rajesh Kumar inaugurates Safety Month at BALCO, uniting a strong force of 600 employees. In collaboration with L&T, this month-long initiative unfolds a diverse range of activities and competitions, sparking awareness and motivation for safety. The event highlights senior management underlining the vision of zero harm, concluding with a collective safety pledge, solidifying our unwavering commitment.
