## SIGHTS, INSIGHTS & HEIGHTS

**Engineering World-Class Aluminium  
At BALCO's Iconic Smelters**

This Engineers' Day, BALCO celebrated its engineers, whose expertise keeps the plant running efficiently and drives innovation across operations. The event brought together employees and business partners to honour their dedication. It included a special health camp organised in collaboration with public health experts, where over 300 participants received check-ups, including blood pressure, blood sugar, and vision screening. The celebration highlighted the role engineers play in the plant's success and BALCO's commitment to the well-being of its people.
