Donald Trump's mantra *Drill Baby Drill* has gone global. Every country is in a race to secure supplies of energy and critical minerals.

In India, our government has taken a very proactive approach. Apart from energy independence and mineral security, the resources sector will deliver growth, massive job creation and eradication of poverty.

Given our rich geology, we can be a global leader in this sector.

*Drill Baby Drill* and *Dig Baby Dig* are the way forward for a Viksit Bharat.

## Honouring the **WOMEN DRIVING CHANGE IN MINING!**

The Women in Mining Sector event, hosted by the Ministries of Mines & Coal in Hyderabad, celebrated the contributions of women in the industry. Graced by Hon'ble Ministers Mr Kishan Reddy, Mr Satish Chandra Dubey and Ms D. Anasuya Seethakka, the event brought together leaders from across the mining and metals sector.

We are happy that Himanshi Gupta (Business Analyst to Dy. CEO, Metal) and Ruchi Sharma (Divisional Commercial Officer) were felicitated for their remarkable contribution in the field.
