## SIGHTS, INSIGHTS & HEIGHTS

Fostering Innovation and  
Operational Excellence

BALCO organised Sahbhagita, an event focused on recognising innovation, collaboration, and continuous improvement across operations. The event brought together over 270 employees and business partners, and spotlighted more than 68 implemented ideas along with over 209 success stories that contributed to business efficiency. A highlight of the event was the Asset Optimization Quiz, which witnessed active participation from power SBU, reflecting strong technical knowledge and engagement showcasing their consistent efforts in driving reliability and performance.

It's so beautiful to see so many of you actively expressing your understanding of Pride Month through art!

These are some of the posters that caught my eye!
