BALCO Marks World Mosquito Day
with Health & Awareness Camps

BALCO in collaboration with the District Health Department, organized health and awareness camps across its Communities and NandGhars, benefitting over 180 people under the MHV, Arogya, and NandGhar projects. The initiative focused on preventing mosquito-borne diseases such as Malaria, Dengue, and Chikungunya through community engagement, distribution of protective nets, and essential health screenings like Hb testing and blood pressure monitoring, with special emphasis on women and children. Through these efforts, BALCO reaffirmed its commitment to building a healthier and safer environment.

Steps for better and safer video conferences

Close unnecessary files, windows, and applications that you don't want to share on your screen.

If another participant is sharing too much, kindly bring it to their attention.

Only share what is necessary on your screen. E.g., a specific window instead of the entire desktop.
