BALCO TODAY

Plantation Drive at BALCO

Taking a step towards environmental stewardship, BALCO organized a plantation drive at the Bakeoven sub-business unit to mark the beginning of the new year with a commitment to a greener future. Over 75 employees and business partners came together to plant 150 saplings, including jasmine, marigold, roses, ficus panda, and more. Through such initiatives, BALCO moves forward towards creating greener surroundings, rejuvenating industrial spaces, and making meaningful strides towards transforming the planet.
