BALCO TODAY

FELICITATING ARTISTS OF CALENDAR CONTEST 2024

Yeh India ka time hai. Amazing that the market capitalisation of our stock market has surpassed Hong Kong, once Asia's top financial hub.

We are now the 4th largest in the world. Domestic investors are driving the rally as much, if not more, than foreign investors. This is a sign of the economy's strength. And an optimism about the future!

The event aimed to appreciate the hard work and talent of both the winners and consolation prize recipients, with rewards and certificates to recognize their achievements. To enhance the overall experience, a photo booth, a wall of paintings, and a screening of the award-winning documentary short film, 'The Elephant Whisperers,' were included, enriching the overall celebration.
