Congratulations to the Hon'ble Minister Shri @HardeepSPuri ji for successful auction of OALP IX round. Thank you for your continued leadership and vision in advancing India's energy security. Your trust and faith in India's young entrepreneurs is truly appreciable!

India holds immense untapped potential of hydrocarbon reserves and we, at Vedanta remain fully committed to unlocking this opportunity. With best drilling programs and encouraging recovery prospects from the North East, we are focused on boosting domestic production and reducing import dependency.

This sector delivers maximum value- in revenue generation, job creation and long-term national growth, without any subsidies. Introducing self-certification can further accelerate the progress.

Globally, economies have been built and developed on the backbone of oil and gas sector. Now, it is India's turn- to explore, to produce and to lead. And I know that our youth will make us proud!
