Certified to Lead
BALCO's Quality Milestones

MEETING THE HIGHEST QUALITY STANDARDS

Guided by its core values of integrity, excellence, and care, BALCO believes that quality is not just an outcome, but a responsibility. It is embedded in every process, driven by a commitment to creating value for customers, communities, and the environment. By aligning with globally benchmarked standards, BALCO continues to strengthen customer trust, uphold sustainability, and contribute meaningfully to a low-carbon future. Each certification earned stands as a reflection of the company's ongoing pursuit of innovation and excellence.

Aluminium Stewardship Initiative (ASI) Certification

This certification highlights BALCO's commitment to responsible production practices across the entire aluminium value chain. It reinforces our focus on sustainability, ethical sourcing, and community well-being.

NABL (ISO/IEC 17025:2017) Accreditation

Accredited by the National Accreditation Board for Testing and Calibration Laboratories, this certification confirms the technical expertise and reliability of BALCO's testing labs. It assures that our test results are accurate, trustworthy, and meet national standards.

BIS Certification

BALCO holds seven BIS licenses, including certification for its 12 mm wire rods and six other product categories such as Ingots, Primary Foundry alloy, Rolled Plates & Rolled sheets. BIS is India's national standard-setting body, and this certification ensures our products meet stringent quality and safety norms.

IMS (ISO 9001, 14001, 45001) – Integrated Management System

These three ISO standards together form BALCO's Integrated Management System.

- ISO 9001 focuses on consistent product quality and customer satisfaction.
- ISO 14001 promotes environmentally friendly operations.
- ISO 45001 ensures a safe and healthy work environment.

Together, they help us reduce waste, improve efficiency, and create safer, greener operations.

IATF 16949 Automotive Industry Certification

This certification ensures that BALCO meets the high-quality standards required by the automotive sector. It confirms the reliability and performance of our aluminium products used in vehicle components.

ISO 50001 – Energy Management Standard

This certification supports BALCO's efforts to manage energy more efficiently. It helps us reduce power consumption, optimize energy use, and support cleaner production processes.
