LET'S CELEBRATE

Pride Month!

DID YOU KNOW?

June is celebrated as Pride month, which aims to recognise the progress made in securing rights and acceptance for LGBTQ+ individuals while highlighting the ongoing development for equality.

The relevance of Pride Month lies in its role in fostering inclusivity, raising awareness about the challenges faced by the LGBTQ+ community, and advocating for equal rights. It serves as a reminder of the importance of diversity, acceptance, and the need to combat discrimination. Celebrating the Month promotes a culture of respect and understanding, contributing to a more inclusive and equitable society.

BEAT THE HEAT #5

SUNSHINE

S

STAY HYDRATED

Drink enough water during the summers to avoid dehydration and over exhaustion. It is recommended to drink at least eight glasses of water per day, and in hot weather, you may need to increase your intake to stay adequately hydrated. Drinking water is a simple but effective way to maintain good health, especially during the hot summer months

U

USE PROTECTIVE GEAR

Before you head outside for the summer fun, it is essential to put on some sunscreen at least 15 minutes before you leave your house. Use sunglasses and caps to protect your eyes and skin from the harmful UV rays of the sun.

N

NEVER LEAVE ANYONE IN A PARKED CAR

Avoid leaving anyone in a car which is parked under the sun as temperatures inside the car can rapidly increase and become very dangerous.

S

SEEK SHADE

Make sure you time your activities outside accordingly and not during peak hours of heat during the day. Step outside only if absolutely necessary between 12 pm to 4 pm as the heat and temperature is the highest during the day. Take rest in the shade to cool yourself.

H

HEAT SAFETY

Avoid strenuous activities during extreme heat and take frequent breaks in cool and shady areas.

I

INVEST IN COOLING SOLUTIONS

Use proper ventilation techniques to keep the room temperature low. Use cooling towels for the same..

N

NUTRITION AWARENESS

Eat light and balanced meals which include curd and buttermilk, which will keep your body's temperature low and stable.

E

EXERCISE SMARTLY

Engage in physical activities during cooler parts of the day to avoid peak heat that is usually early morning or after 5 pm.

Safety Check

Always Follow Traffic rules

Thoroughly check your car before driving

Always drive according to the speed limit

Keep all the necessary paperwork handy

Never Ride without a Helmet

Look out for no Parking Signs

BALCO holds mega blood donation camp

■ Our Correspondent
KORBA, June 28

BHARAT Aluminum Company Limited (BALCO), India's iconic aluminum producer and a part of Vedanta Aluminum, organised a mega blood donation camp at the BALCO Hospital, in collaboration with the District Medical and Health Department, Korba. This noble cause drew wide participation from the company's employees, families, and surrounding community members, witnessing blood donations from over 250 people. Their united efforts resulted in a remarkable number of 250+ life-saving units being collected in a single day in Korba district.

Organized in commemoration of World Blood Donor Day, BALCO's day-long mega blood not only supported blood collection during the camp but also helped generate wider awareness among the volunteers on the donation process and its several benefits. After careful screening and checks, the units collected will be stored at the blood banks of Govt. Medical College, Korba. These units will be provided free of charge to communities in need, addressing their critical blood requirements for treating Thalassemia, sickle cell disease, cancer, road traffic accidents, pregnant mothers, and individuals with Haemophilia.

Appreciating the overwhelming response to the camp, Rajesh Kumar, CEO, and Director, BALCO, said, "We have consistently prioritized health of community through diverse initiatives tailored to address the well-being of the community. It's gratifying to witness the community's collective response during the blood donation drive, significantly helping boost local blood bank reserves. I

believe this effort aid in strengthening the medical infrastructure in the region to meet emergency requirements while saving countless lives."

Speaking of the notable efforts of BALCO, S.N. Kesari, Chief Health and Medical Officer, Korba, said, "Donating blood is a noble cause, and facilitating it for over 250 people is truly a remarkable effort. I extend my heartfelt gratitude to each donor for their selfless act. This act of generosity will help in saving countless lives in our community, making a profound impact on many families."

BALCO's mega blood donation camp was successful in collecting numerous lifesaving blood units while recognizing the contribution of volunteers, who were felicitated through 'Blood Donor' certificates.

BALCO, as part of its commitment towards contributing to the community's well-being, undertakes several impactful healthcare interventions, impacting around 1.35 lakh lives in FY24.

Project Arogya ensures accessibility of primary healthcare services through Rural Health Posts (RHPs) and conducts awareness campaigns on crucial topics such as HIV, maternal and child health, and malnutrition. The project reached around

50,000 people last year.

Mobile Health Vans (MHVs) are fully equipped mobile health units that visit communities every 15 days. The van addresses primary healthcare challenges through doorstep delivery of quality healthcare, reaching over 15,500 people in FY24 alone.

Quarterly mega health camps and awareness campaigns that promote vaccinations, hygiene practices, and overall healthcare.

Project-Nayi Kiran which has helped sensitize over 57,000 people on hygienic practices during menstruation through awareness generation and capacity-building activities across 45 villages of Korba.

Balco Medical Centre, a 170-bedded tertiary care oncology facility that has catered to over 38,500 people till date, since its inception in 2018.

BALCO Hospital, a 100-bed facility, serves the company's employees and their families as well as township residents and patients across several districts of Chhattisgarh:

It features a team of specialists, including general physicians, physiotherapists, dentists, ophthalmologists, ENT specialists, paediatricians, radiologists, anaesthesiologists, gynaecologists, and orthopaedic surgeon along with visiting consultants. It is supported by 14 Resident Medical officers, 60 nurses and 113 staff members.

The hospital participates in the Ayushman Bharat scheme, organizing regular screening and awareness camps, while supporting government vaccination programs.

BALCO Hospital caters to over 2,10,000 patients each year across Korba, Raigarh, Bilaspur, and Janjgir Champa districts in Chhattisgarh.

बालको: 250 लोगों ने रक्तदान किया

मास्कर न्यूज़ | बालको नगर

जिले के स्वास्थ्य विभाग के सहयोग से बालको कंपनी ने मेगा रक्तदान शिविर का आयोजन किया। इसमें 250 लोगों ने शिविर में रक्तदान किया। इस ब्लड का उपयोग जरूरतमंदों की मदद में किया जाएगा।

कंपनी के कर्मचारी व उनके परिवार के सदस्यों के अलावा बिजनेस पार्टनर व समुदाय के सदस्यों की भागीदारी रही। शिविर में बालको अस्पताल के विशेषज्ञ डॉक्टरों और स्टाफ नर्सों का भी सहयोग मिला। अस्पताल कर्मियों ने शिविर में ब्लड कलेक्शन के लिए तकनीकी सहयता उपलब्ध करने के साथ रक्तदान प्रक्रिया और लाभ के बारे में जागरूक किया। खरौनिंग और जांच के बाद शिविर के माध्यम से जुटाए गए ब्लड कलेक्शन को सकारी मेडिकल कॉलेज कोरबा के ब्लड बैंक में स्टोरेज किया गया, जहां से जरूरतमंद लोगों को ब्लड उपलब्ध कराया जाएगा।
