BT BALCO TODAY

SIGHTS, INSIGHTS & HEIGHTS

Celebrating Excellence of **Rolled Products**

BALCO's Rolled Products team recognized over 90 employees and business partners for their exceptional contributions in achieving new production benchmarks. The event celebrated teamwork, dedication, and operational excellence, with senior leaders commending the collective effort that continues to drive performance and inspire a culture of pride and collaboration across BALCO.

Safety Advisory on Cables and Wires

Don't Leave Cables & Wires on the Ground

Wires lying on the ground may seem harmless, but they pose serious risks to people and equipment. A single overlooked wire can put lives and operations at risk.

Why it's unsafe

- ◆ Causes tripping hazards, leading to injuries.
- ◆ May result in electric shocks if the insulation is damaged.
- ◆ Can lead to equipment malfunction or fire due to short circuits.
- ◆ Creates clutter, making work areas unsafe and unorganized.

Safer and Vigilant Approach

- ◆ Always secure and route wires properly using cable trays or conduits.
- ◆ Inspect and repair damaged wires immediately.
- ◆ Keep walkways clear of any electrical cables.
- ◆ Ensure regular safety checks and housekeeping of work areas.
- ◆ Report any unsafe electrical condition to the safety team immediately.

Let's make every step count towards a zero-harm workplace.
Be alert. Stay safe. Act responsibly.

Safety Advisory on Cables and Wires

जमीन पर तार न छोड़ें

जमीन पर पड़े तार देखने में मामूली लग सकते हैं, लेकिन ये गंभीर खतरे पैदा कर सकते हैं। एक लापरवाही पूरी टीम और संयंत्र की सुरक्षा को खतरे में डाल सकती है।

यह असुरक्षित क्यों है

- ◆ तार फिसलने या गिरने का कारण बनते हैं।
- ◆ तार की इन्सुलेशन खराब होने पर करंट लगने का खतरा रहता है।
- ◆ शॉर्ट सर्किट या आग की संभावना बढ़ जाती है।
- ◆ कार्य स्थल अव्यवस्थित और असुरक्षित बन जाता है।

सुरक्षित और सतर्क तरीका

- ◆ हमेशा तारों को सही तरीके से व्यवस्थित करें, केबल ट्रे या पाइप का उपयोग करें।
- ◆ क्षतिग्रस्त तारों की तुरंत मरम्मत करें।
- ◆ रास्तों को तारों से मुक्त रखें।
- ◆ नियमित सुरक्षा जांच और हाउसकीपिंग करें।
- ◆ किसी भी असुरक्षित स्थिति की सूचना तुरंत सुरक्षा टीम को दें।

आइए, हर कदम को जीरो हार्म संस्कृति की ओर बढ़ाएं।
सतर्क रहें। सुरक्षित रहें। जिम्मेदारी से काम करें।
